Famiglia...Our Story

In the cold winter of 1950, following a tragic accident, Rose Nigdy promised her husband that his dream would be carried out and their children would grow up in the free and God-Blessed land of America. With determination in her mind and promise in her heart, she made the pilgrimage from Europe and in the spring of 1959 arrived in New York City with her daughter and four sons.

As her children, we'd like to share our story with you.

The early years were a struggle as we depended on assistance for the most basic of necessities. Although the struggles were momentous at times, Mama had a way of turning them into fun, learning experiences. We were given choice and responsibility and were taught, through example, the value of discipline and teamwork.

Frosinone, Italy 1959

New York City, 1986

We learned hard to cook, at young ages as we prepared our meals with fresh ingredients from scratch - something that would later influence our business practices. Saturday lunches were our favorite as we would make pizza - the heart of all our meals. We would roll the dough, spread the sauce and cheese, and then bake it. Mama would teach us about the ingredients and their origins. She would share stories of her youth and tell us how she would grow when she was before the crack of dawn. Her eyes would glow when she would show us how her mama taught her the art of making these. Through these experiences we learned to respect the family recipes handed down from generation to generation.

During the early 1980's, we worked in pizzerias throughout New York City. As teenagers, we learned how to make pizza in the hot oven. We were taught by some of the top old timers in the trade from the Bronx, Brooklyn, and Manhattan. In the summer of 1986 we opened our first pizzeria in the vibrant and culturally rich Upper Westside of Manhattan. From your table extended proposition and New Yorkers were enjoying pizza at its best! Famous Famiglia quickly became a leader in the New York pizza market. The company grew to a successful chain, winning pizza contests with its quality and service.

Today, thanks to the support of our loyal customers, and the entire Famous Famiglia organization, Famous Famiglia is a highly successful brand which is currently established and operating across the United States in a variety of venues and markets. Famous Famiglia restaurants currently under development include locations in Mexico and China as well. We are privileged to have an opportunity to serve you and we sincerely hope that your experience with us is a pleasant one.

Thank you!

★★★ THE BEST FOR LESS ★★★

1st Chef's kitchen is under control of Mme Chiang Katshek's parent cook Mo Fa, and also kitchen staffs are all his fabulous fellows. They were formerly at the Grand Hotel in Taiwan. Mo Fa only use 100% vegetable oil. Absolutely important, he does not allow the commonly used M.S.G. His Hunan and Szechuan dishes are delicate, very fresh made and others are excellent.
